

Setup required to send electronic lab-orders directly to Basic Optical.

Open the Eminance screen. Then go to **Utilities->Defaults->Optometry Defaults**

Select the Webservices Tab and enter your Basic Optical username and password. Also enter the webservices Address as shown below.

<http://futuro.myrxpractice.com/services/Eminance.asmx?wsdl>

Click the "Save" button (the disk icon in the upper left corner)
